

# FLEXI

## Flexi 25 - W/EW

### 1350/1400

#### Exceptional Lateral Stability

2.5 tonne, twin deck articulation, combined with heavy-duty 320mm diameter slewing ring bearing, provide exceptional lateral stability and full 220° overrotation in aisle

#### Engineered for High Lift Capability

1350mm or 1400mm wide 2.5 tonne chassis, plus elastic rubber treaded rear tyres, delivers extra load rating and stability to over 13 metres on any warehouse floor surface, no guidance system required

#### Heavy-Duty Mast

Heavy-duty mast 'space frame' in strengthened front frame increases lift capacity, longterm reliable service life

#### High Definition LCD CCTV System

Allows operator to stack safely to over 11.5 metres with minimum fatigue. Available with programmable lift height selector both integrated into the digital CAN bus system

## Lift Capacity 2500kg

**Proven Quality, Safety and Reliability**

# The Digital Range

**The Digital Range of articulated fork trucks has been developed specifically to improve storage and handling**

#### **Integrated Sideshift**

All Flexi's are supplied with a high quality integrated sideshifting fork carriage to promote efficient and safe stacking.

#### **Forward-Facing Seat**

Comfortable and high-quality adjustable full-suspension seat with operators lumbar support, reduces fatigue and improves productivity.

#### **Fixed "Clear Vision" Mast**

Operators have excellent forward visibility thanks to our triplex free lift mast, with its side mounted lift cylinders. Safe productive forward pallet pick up and set down.

#### **Front Wheel Drive**

Proven safe traction-laden or unladen in all operating conditions. Tough elastic rubber tires all round allow operation on all warehouse floors. No tyre scrubbing, with full differential drive on both wheels when turning.

#### **HiVIS Overhead Guard**

The unique Flexi 'HiVIS' Twin Post™ overhead guard combines maximum visibility and complete overhead and roll over protection for the operator. With no front 'posts' to obscure operators vision when stacking.

#### **Easy Battery Access**

Fast and safe battery access and changing. Low lift off, fork pockets. Easy battery inspection and topping. No motors, brakes or pumps hidden underneath.

#### **Unique Flexi 220° Over Rotation**

More stacking clearance along every aisle. Compact axle designs maximise aisle clearances. Flexi is the proven 'no damage - fast turn' solution.
